ITASEC Sponsorship Package

ITASEC18
ITALIAN CONFERENCE ON CYBERSECURITY
Milan, 6-9 February 2018
1. ITASEC Presentation

The Italian Conference on Cyber Security (ITASEC) is a series of annual events supported and managed by CINI Cybersecurity National Laboratory, aimed at putting together Italian researchers and professionals from academia, industry, and government working in the field of cybersecurity. ITASEC18 will take place at the Politecnico di Milano University, from February 6th to February 9th, 2018.

2. ITASEC Structure

ITASEC18 includes three main Spaces: a Stakeholder Space, a Scientific/Technical Space, and an Exhibition Space, all spanning through the whole conference.

2.1 Stakeholder Space

The Stakeholder Space shall include selected distinguished:

- Keynotes Speeches
- Invited Talks
- Vision Speeches from Platinum Sponsors
- Panels
- Special Sessions:
  - Community Session
  - Start-up session

The Stakeholder Space activities shall be:

- hold in a same large meeting room having a capacity of 300+ places
- accessible only after a free of charge registration via the event website.

2.2 Scientific/Technical Space

The Scientific/Technical Space shall include several kinds of sessions:

- Scientific sessions: aimed at presenting scientific/technical papers;
- Fil-Rouge sessions: aimed at presenting interdisciplinary and multidisciplinary hot topics;
- Demo sessions: aimed at presenting prototypes developed by industries, research centers, and universities;
- Embedded Tutorials: aimed at presenting short Tutorials on emerging topics;
- Half-day Tutorials: aimed at presenting Tutorials on various consolidated areas and topics.

The Scientific/Technical Space sessions shall be:

- hold in two meeting rooms having a capacity of 100+ places, each;
• accessible only after a registration via the event website, compliant with the event registration policy.

2.3 Exhibition Space

The Exhibition Space shall include the booths of Sponsors (Platinum Plan, only) and a dedicated space, equipped in classroom style, with proper audiovisual, where “Vendor Sessions” will be organized.

Vendor Sections are aimed at providing Sponsors with the opportunity to give technical presentations in a track parallel to the technical paper sessions. These presentations will be listed in the symposium program along with the technical sessions, and should be targeted to the ITASEC audience. The Vendor Sessions differ from other ITASEC presentations in that company names, logos, and product names may be mentioned explicitly. Typical content includes product descriptions, case studies, best practices, and user testimonials. Attendance at the sessions is open to all symposium attendees, and vendor representatives will be able to hand out literature at the session. Presentation opportunities of 20-minute duration are available.
